**Report of the Internal Quality Assurance cell (IQAC) 2012-13**

---

**PART-A**

The activities of the institution as per vision and mission, that focuses on quality enhancement and quality sustenance. This is an integral part of efficient functioning of the Internal Quality Assurance Cell (IQAC)

The IQAC has set up and defined its own goals and objectives to institutional goals and objectives as guided by its vision and mission. The goals and objectives of the IQAC are-

**Goals:**

- To develop a quality system for conscious, consistent, and catalytic programmed action to improve the academic and administrative performance of the college.
- Making available all sources within institutions limit for progression of students.
- To promote measures for institutional functioning toward quality enhancement through internationalization of quality culture and institutionalization of best practices.
- Availing necessary opportunities to students for bright career prospects.

**Objectives:**

- Improving the teaching learning process and quality of students using innovative methods of teaching that will cater to the needs of learners at various levels of study.
- Imparting skills which can translate into practical applications in various spheres of life, viz. personal, professional and national. This supports curricular training with co-curricular and extra-curricular activities which is aimed at building the overall personality of the learners. The college provides learner-centric academic and personal enrichment opportunities. The learners are empowered to pursue their goals and are guided towards self-actualization.
- Promoting and motivating students as well as faculty members to take up research projects which help in creating a mindset for inquiry and also inculcate an analytical attitude and scientific temperament.

- Overall personality development of students.
- College as resource center for development of community.

**Plan of action chalked out by the IQAC at the beginning of the year towards quality enhancement and the outcome achieved by the end of the year:**

The academic year commenced with a staff meeting in which the principal presented the action plan formulated at the end of the last academic year. The action plan was circulated to all departments for detailed discussion.

## **Part B**

### **2. Programmes/Events Organized by the Departments:**

#### **i) Department of Botany:**

- The department of Botany actively participated in each and every program of the college. Department faculties include two clock hour basis lecturers.
- Department started the session with **field visit** after rain on 4<sup>th</sup> August 2012 to aware the students with ephemeral plants which grow only in stagnant water and for short time, also students know how the Algae and Fungi grow in nature.
- After this, department celebrated teachers day on 5<sup>th</sup> of September, the birthday anniversary of Dr Sarvapalli Radhakrishnan. On this occasion, students organized '**Self Governance Day**' where all departments were run by students and lectures were delivered by students. Here students actively participated in this program.
- Students also gave seminars on various topics of syllabus. Seminar is organized by the department in the month of December every session as it helps to increase stage presence and knowledge of the students.
- Department also arranged guest lecturers for students on various topics though department didn't have permanent faculties but our focus was to develop students knowledge in botany which helps them in future. **Guest lecture** was delivered on 7<sup>th</sup> Jan 2012 by **Research Scholar Mr. P.R. Makde** (JRF at Anand Niketan College Warora) on Taxonomy.

## **ii) Department of Physics:**

- The department initiated a new series of Teaching which was scheduled at lunch time; these informal meetings are dedicated to sharing best practices and discussing new pedagogies in undergraduate teaching, especially in the demanding setting of the large introductory lecture course.
- The seminars for students were held in the months of October and January.
- An industrial visit was arranged to Greta power plant MIDC Aakapur, Taluka: Mul, Dist: Chandrapur on 11<sup>th</sup> January 2013.
- The guest lecture had been organized by the department on 7<sup>th</sup> December 2012. The chief guest Dr. Manish P Tirpude from Smt. Radhikatai Pandav College of Engineering and Technology, Nagpur delivered his lecture on “Introduction to LASER and its Applications.”

## **iii) Department of Chemistry:**

- The department of chemistry is one of the largest departments of the college. Session 2012-13 was very satisfactory. In this year, department had organized various curricular and co-curricular activities like seminar, competition, quiz competition, poster presentation etc. Department is also actively involved in social programmes organized by the N.S.S. Students from this department were participated in various social activities like blood donation camp, N.S.S. camp etc.
- As Chemistry is compulsory subject for all the students of B.Sc. and has more job- opportunities, we planned to introduce new courses like post graduation in Chemistry and we also planned to invite the local industries for job placements. We decided after starting the P.G. course to develop the research laboratory facility for our students and other research fellows as well as for teachers.
- In this year the department had organized seminar in the month of August and January and students were participated in the seminar and some students gave seminar on L.C.D. projectors.
- The department had also participated in the seminar competition organized by the college on the occasion of Dr. Sarvapalli Radhakrishnan birth day.
- Every year the faculty of science celebrates science day on 28<sup>th</sup> Feb. through which different programmes are organized and the department of chemistry takes active participation in those programmes.

#### iv) Department of Zoology:

- A local study to nearby water body was being organized to study the Flora and Fauna of that ecosystem. The students had made regular visit to these water bodies to collect the tadpoles, the water sample from various ponds and water bodies was being collected to do the water analysis.
- The hydrophytes floating and submerged were collected and brought to the lab for museum purpose. Science quiz competition was organized.
- To mark the birth anniversary of Dr. Sarvapali Radhakrishna, Teacher's day programme was organized.
- The department has regularly organized seminar on various topics of syllabus oriented. A study tour to Greta Power Plant was organized.
- An awareness Programme about AIDS was organized on 1<sup>st</sup> December 2012. 28<sup>th</sup> February is celebrated as Science day and on this day the department had organized a poster competition related with the environment.
- A guest lecture series was organized. Dr. A.A. Dhamani gave a lecture on The role of Leydig cell in spermatogenesis. Dr. N.V. Harney gave a lecture on water quality and its testing. Dr. S.S.Bhakare gave a talk on endocrine regulation in dragon flies. Prof. K.B. Bhute delivered a lecture on Ecology and Environment.

#### v) Department of Commerce:

- Considering the increasing importance and scope for the commercial education and in order to order interest among students of rural area about the study of commerce, we started three years degree course in commerce in the session 2009-2010.
- In the session 2012-2013 the performance of the department was satisfactory. Total 93 students were taking education in the department.
